

We grow continuously, join our SWARCO Team as

Junior Information Security Consultant (m/f/d)

Location: Berlin / Germany | Fulltime

Your Challenge

- Support the creation and implementation of security concepts for SWARCO products as well as customer projects
- Participate in the introduction/implementation of relevant information security standards (e.g. ISO27001)
- Work together with your team in the active implementation of the information security risk management process (security audits and risk assessments)
- Support in the continuous evaluation of current IT security situations, practices and systems as well as identification of potential for improvement and advice on strategies
- Ensure compliance and observance of global IT security guidelines as well as applicable norms, standards and laws
- Audit compliance with information security policies
- Ensure the protection of the data and information in our products and solutions
- Support in the review and approval of information security concepts
- Implement IT solutions (together with the IT team) to minimize the risk of cyber attacks
- Support the IT and development department regarding information security

Your Profile

- Completed studies (Uni/FH) with focus on computer science, IT security, IT law, data protection, business continuity management or comparable fields of study
- Basic knowledge in IT and information security
- Basic know-how in information security standards such as ISO27001 desirable
- Knowledge of vulnerability scanning and penetration testing would be an advantage
- General IT and SW development skills
- Very good written and spoken German and English skills
- Methodical, solution-oriented and independent working method with quick comprehension in complex IT and SW landscapes
- Confident appearance, good communication and negotiation skills
- High self-motivation, enthusiasm and commitment

Your Benefit

- Unique team spirit and friendly corporate culture
- Plenty of room for personal growth and responsibility that enables you to grow with SWARCO
- The opportunity to gain or deepen international project management experience
- Flat hierarchies
- 30 days of vacation
- Unlimited employment contract
