

Our SWARCO Group IT team is continuously growing - join us as

Data Center Specialist SWARCO Group (m/f/d)

Location: Wattens / Tyrol / Austria | Fulltime

Your Challenge

- Together with your team colleagues, implement the conceptual design and architecture of IT environments and other infrastructure projects at our international subsidiaries
- Further develop our central cloud data center and cloud strategy
- Migrate from local data center to central cloud data center
- Continually develop security strategy for our Cloud Datacenter
- Coordinate and provide a stable and smooth operation of the cloud Datacenter infrastructure
- Support or manage on your own the implementation of Cloud Datacenter projects
- You have an interface function to external service providers and internal departments

Your Profile

- Completed IT-training (Higher technical college/HTL), University degree (Business Informatics) or equivalent professional experience
- As an experienced colleague, you ideally have sound knowledge in the areas of Windows Server environment, Active Directory and VMWare
- Experience in project management and/or requirements engineering is a plus
- Professional experience in the IT sector is of advantage
- Open-mindedness towards new technologies and trends and sound analytical skills
- Strong customer and service orientation
- High self-motivation, ability to work in a team, reliability and social competence
- Very strong communication skills in German and English
- High solution and goal orientation with a 'hands-on' mentality

Your Benefit

- Unique team spirit and friendly corporate culture
- Plenty of room for personal growth and responsibility that enables you to grow with SWARCO
- Flexible working hours
- Home Office in accordance to the written agreement
- Pool cars for private use if available during the week-end
- Food allowance, fruits, coffee, tea, soft drinks, sweets
- Employee events, Health promotion

We offer a very attractive and performance-related salary, which is based on your qualifications and professional experience. This is significantly higher than the collective agreement for employees and apprentices in commercial enterprises.

The future begins today. Yours too?
