Installer

Location: St Albans, United Kingdom | Full time

Your Challenge

We have a vacancy for a Trainee Traffic Signals Installer to join our St Albans team. This is an excellent opportunity for someone looking to kick start a career within the Traffic Signals industry.

The role of the Trainee Installer will be to learn to install, refurbish and/or repair a variety of equipment, including traffic signaling and other electrical street equipment such as street lighting, CCTV and barrier systems etc. to customer specifications. The successful candidate will have a good aptitude for learning.

Customer service is key to delivery as well as ensuring that QHSSE regulations and procedures are followed at all times.

Although predominantly based in the St Albans area, there may be a requirement from time to time to work in other Service Centre districts which may involve overnight stays.

Your Profile

In order to fulfill the role successfully the following are some of the key skills and experience required:

- GCSE in English & Maths.
- Basic electrical knowledge
- Good mechanical aptitude
- The ability to work on own as well as part of a team
- The ability to work at heights
- An organised and enthusiastic work ethic
- Full driving license
- **Right to work in the UK**

Your Benefit

As well as providing a competitive salary and benefits package, we actively run employee opinion surveys as part of our drive to provide a comfortable and supportive working environment. We will support your development and you will also receive:

- 33 days holiday rising to 36 days (this includes your 8 bank holidays), plus the option to buy an agreed number of days
- Birthday off
- Company Vehicle
- Perkbox - employee benefits portal
- Generous employer pension contributions
- Employee Assistance Programme
- Life assurance up to 6x salary
