

We grow continuously, join our SWARCO Solution Center Team as

# Requirements Expert Global (m/f/d)

**Location: Berlin / Munich / Vienna or Bucharest / Germany, Austria or Rumania | Fulltime**

## Your Challenge

- Coach, develop and support multiple agile cross-functional teams: the Requirements Engineering (RE) and –Management (RM)
- Establish and act as a technical lead of a global RE community of Product Managers and Solution Architects
- Ensure that the processes, methods and tools used comply with all relevant standards in our Domain
- Share State-of-the-Art best practices and methods
- Set internal standards for RE/RM and continuously improve common development tools, methods, processes and for RE/RM
- Share and align these standards with relevant stakeholders (e.g. R&D line managers, Sales) within the SWARCO Group
- Conduct internal trainings and projects in the field of expertise (RE/RM)
- Coach, guides and supports individuals and teams in course of their daily RE work
- Perform requirements-, document- and design reviews to ensure compliance with internal standards and KPIs
- Connect throughout the SWARCO organization

## Your Profile

- Several years of working experience in architectural design of cloud platforms and project management of complex software projects as Product Owner and or Product Manager
- Bachelor or Masters degree in the IT area or similar
- Strong technical and method background in RE/RM, certification like IREB beneficial
- Familiarity with complex requirement management processes and tools
- Excellent knowledge of spoken and written English, German is a plus
- Strategic and economic thinking as well as analytical working methods, personal initiative and problem-solving competence
- Strong interpersonal and communication skills, Hands-On-Mentality and customer awareness
- Performance-oriented personality

## Your Benefit

- Unique team spirit and friendly corporate culture
- Plenty of room for personal growth and responsibility that enables you to grow with SWARCO
- The opportunity to gain or deepen international project management experience

- Flat hierarchies
- 30 days of vacation
