

Get started with **GreenFlow for Trucks**

1

How do I get the app?
This can be done in two ways:
via the Google Play Store or via the
Fleet Management System (FMS)
of your company.

2

I have downloaded and installed the app. What's next?
Great! Now you can start the app
by clicking on the GreenFlow for
Trucks icon.

3

The app has started, what should I do now?
Search 'identity code'.
The menu will display a unique
identity code. Check out our FAQ
for more information.

4

I found the identity code!
Yay! We need this identity code
to activate your application. By
selecting the code, you can copy
it.

5

I have copied the identity code. What's next?
Forward us the identity code
via WhatsApp or SMS. Our
telephone number is
+31613979328.

6

Sent!
Thank you! We will be in touch to
finalize the installation of the app.
There may be some formal matters to
be dealt with, but we are happy to
help you with this.
